

Channel map for Topfield PVR testing

Use this diagram to help you select channels for test recordings.

Channels have been divided into groups. Core channels are available across the UK and broadcast 24 hours a day. Reduced coverage channels are only available in certain parts of UK. Part time channels do not broadcast 24 hours per day. Pay channels require a subscription to Top-Up TV, and are all also part time.

	Core	Reduced coverage	Part time	Pay
